

My trip to Paris to a fashion  
show....

We arrived at St. Pancras station

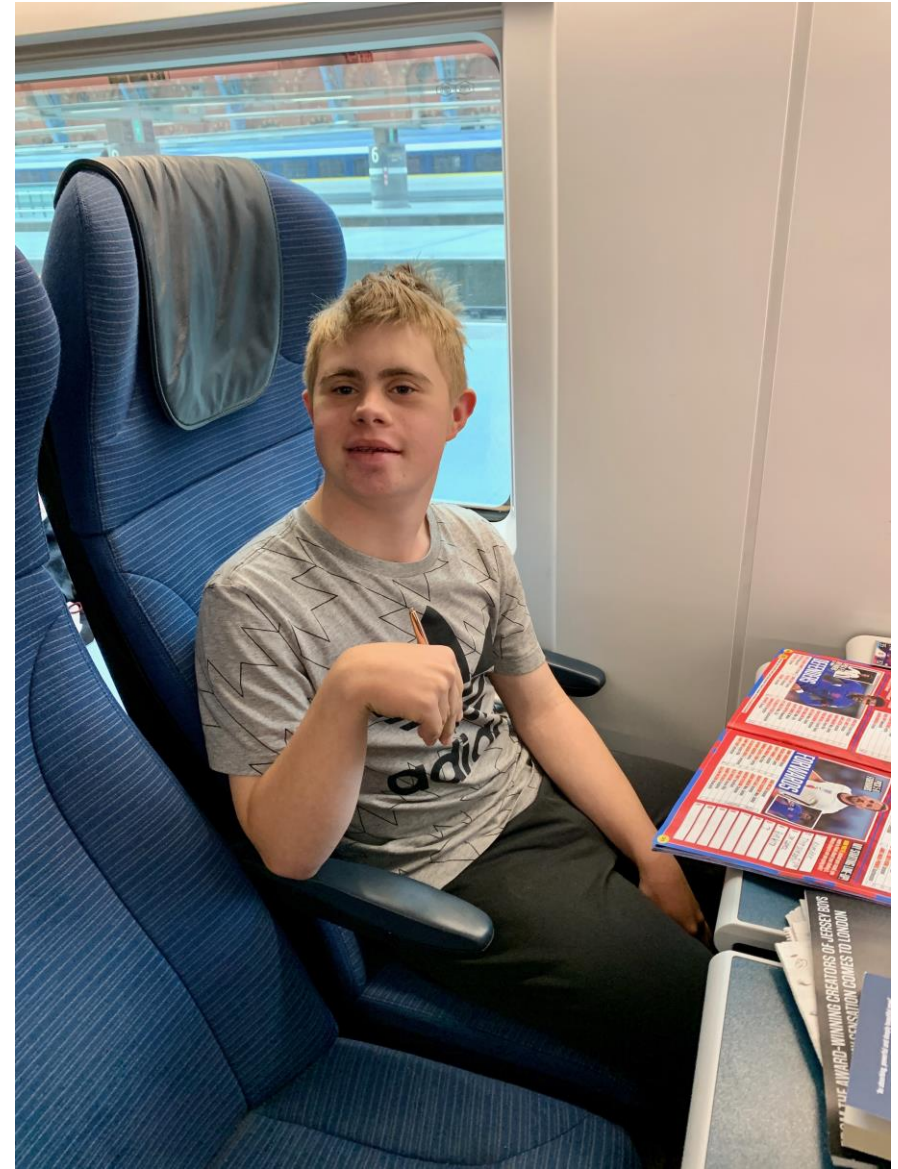

We went on the fastest train .  
The Eurostar !

The Eurostar was so fast it goes at top speed of more than 300 kilometres per hour.... !!!!!

Relaxing in my seat

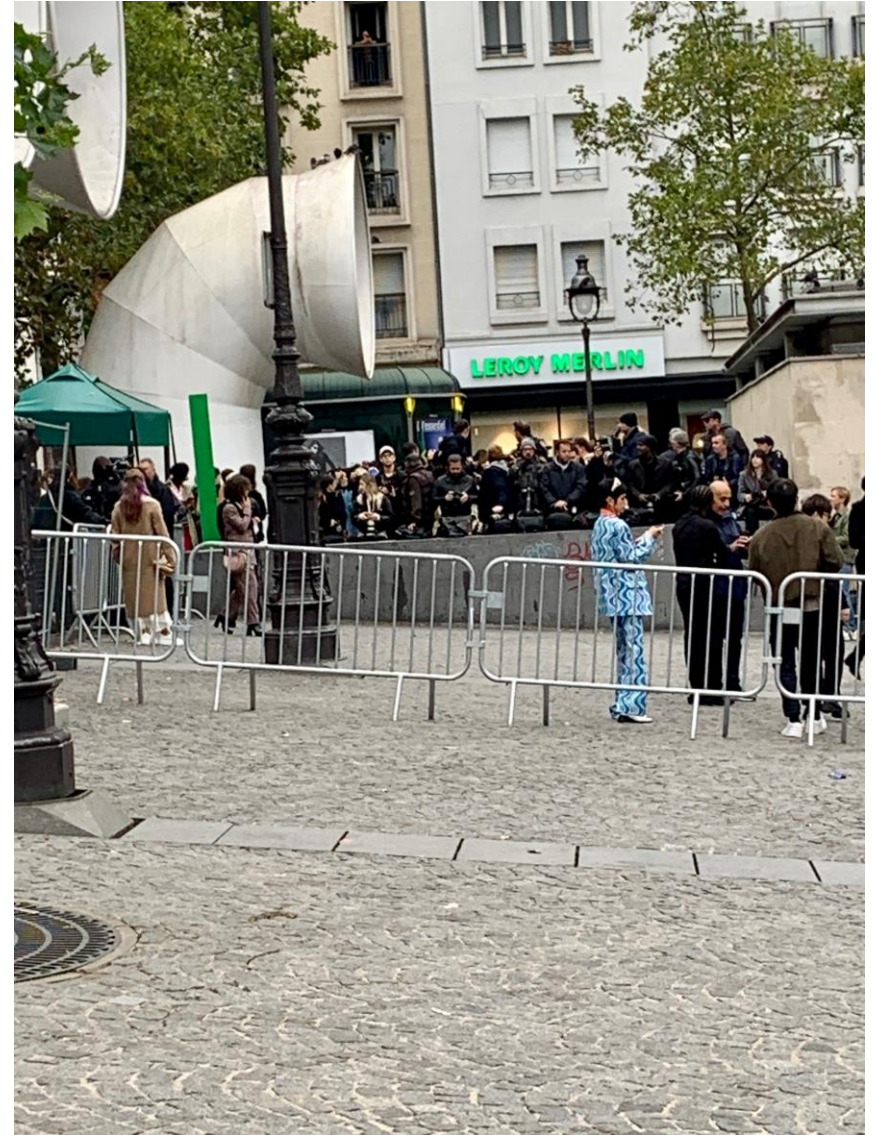

The night before  
the show we went  
sightseeing

The morning of the show –  
Dressed up smart and ready to go  
Very excited !!

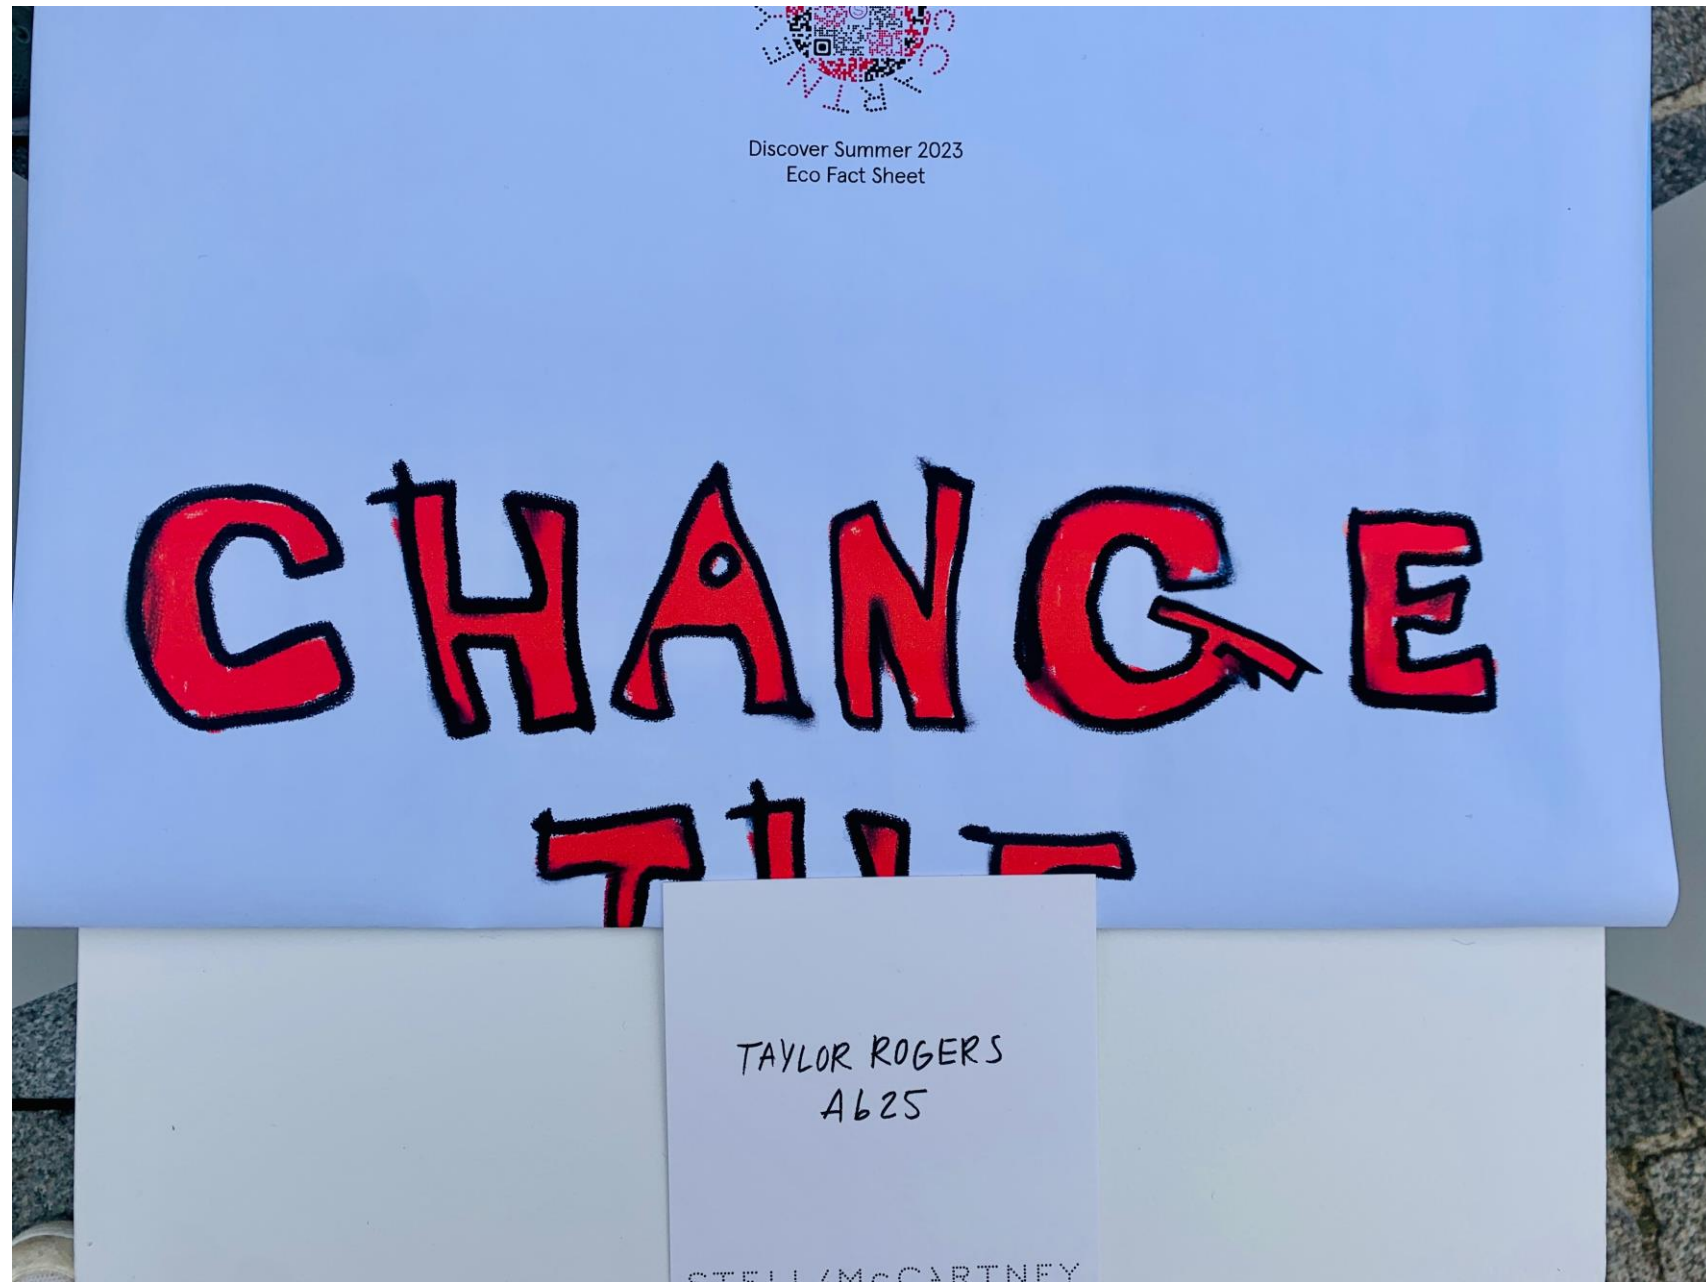

There were lots and lots of Photographers on the way In

My seat with my name on

Just before it all  
begin

The show !

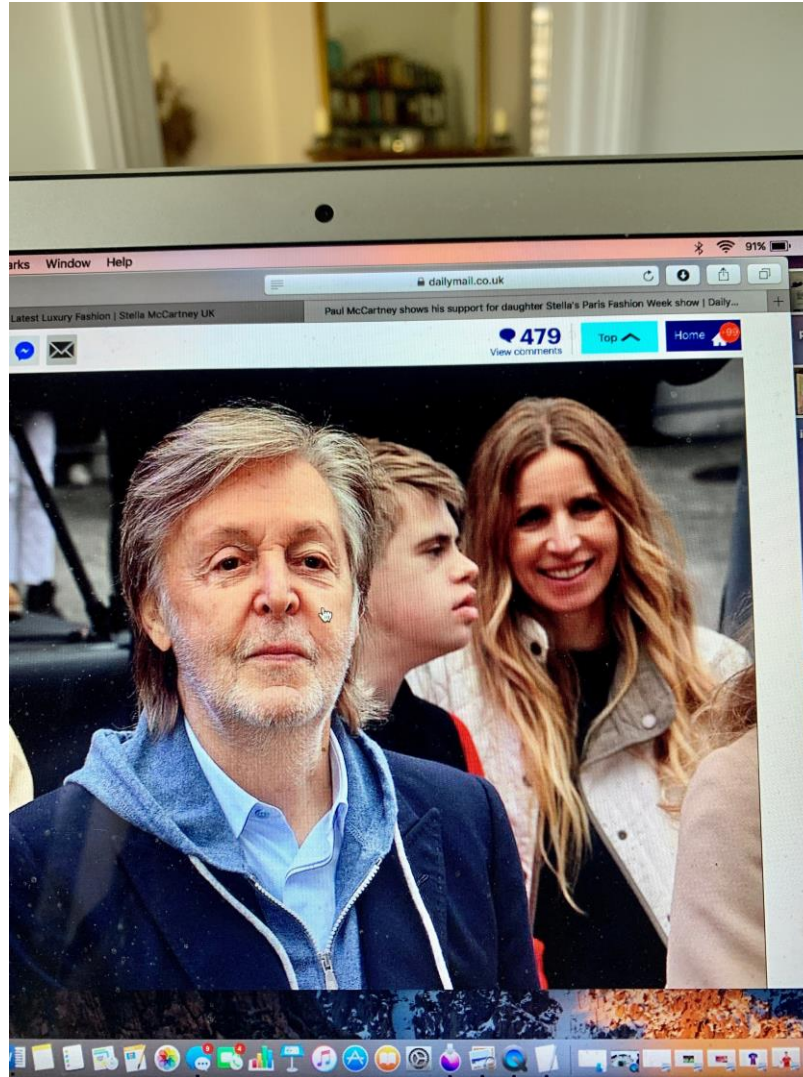

Lots of people were watching Stella's show  
It's a thumbs up from me.

I met nice people  
One was Jaden  
Smith. He  
was wearing a  
very funny hat

We sat next to  
Paul McCartney  
He was her

I love his song  
Live and Let Die

I saw my  
godmother after  
it all finished  
and told her “ well  
done “. She was  
very happy  
The show was
